NEW YORK, Oct. 1.—U. S.
Senator James J. Davis, of
Pennsylvania, director general
of the Loyal Order of Moose,
will take the witness stand in
his own defense at his "lottery"
trial, it was learned by Inter-
national News Service today.

Although chief defense counsel
Charles J. Margiotti, of Punks-
town and Pittsburgh, Pa., declined
to comment on the matter, it was
learned from another source that
the former Secretary of Labor will
be called to the stand early next
week.

The decision to have Senator
Davis testify in his own behalf was
reached after a conference among
Davis and his attorneys.

Although Davis has been ill for
several days, he has not revealed
his physical indisposition in court
and insisted to his lawyers that
he was well enough to be called
to testify.

Feels He Will Clear Self

confident that when he takes the
stand he can clear himself of the

Seaman Proves Hero In Shipwreck Rescues

(BULLETIN)
(International News Service)
SEATTLE, Wash., Oct. 1.—The
hero of the S. S. President Mad-
ison's rescue of the three sur-
vivors of the freighter Nevada
wreck on Amatignik island was
revealed today as E. Blomberg,
22, seaman on the Madison.

When the lifeboat had approached
as close to the shore as it dared,
Blomberg, a fine swimmer, was first
to speak up when volunteers were
called for to take a line ashore. The
line was lashed about his body, he
dived into the sea, shook the salt
water away from his face, called
back over his shoulder:

"Not so cold and not half bad."
Then he struck out for shore.
Five members of the Nevada's crew
could be seen from the boat. When

Blomberg reached the beach, he
found two of them dead.

One by one the living men were
lashed to the line and hauled out
to the lifeboat. Then, leaving the
dead behind, Blomberg swam back
to the lifeboat, as his comrades aided
him with the line.

Details of the rescue were told by
Capt. R. J. Healy, master of the
President Madison, in a radio dis-
patch to the American mail line of-
fices here. When the survivors
reached the Madison in the lifeboat,
they had to be hoisted aboard. Capt.
Healy said. Skipper Healy paid high
tribute to his men for their dar-
ing rescue.

Only one of the survivors, believed
Fritz Dewall of Portland, could speak
when taken on the Madison. He
said 35 had lost their lives, indicat-
ing the Nevada carried a passenger
as well as a crew of 37.

Walker Leaves Italian Liner At Gibraltar

Former Mayor Of New York
Impatient To Get Home,
Hopes To Board
Europa

MAY TAKE PLANE
TO SPEED TRIP

Walker Trying To Return
To New York In Time
For Tammany
Rally

(BULLETIN)
(International News Service)
GIBRALTAR, Oct. 1.—Aban-
doning hope of the liner Rex
being repaired in time, former
Mayor James J. Walker today
began a dramatic dash across
Europe to catch another ship for
New York.

Growing more impatient by the
minute while engineers attempted to
eliminate the dynamo trouble which
beset the new Italian liner on her
maiden voyage, Walker finally dis-
embarked from the craft and char-
tered an automobile.

He planned to drive as far as Ma-
laga, the first important city across
the Spanish frontier. From there
he will proceed to Madrid, and
thence to Paris, probably by train,
although it was reported he might
attempt to charter an airplane to
speed up the journey.

Depends On Ruling.
Before he left, Walker told Inter-
national News Service his bid for re-
election to the mayoralty was in the
hands of the New York courts.

"It would be stupid for me to say
I shall run for re-election," Walker
said when told of reports published
in New York that he had reached a
definite decision.

"There is no way that I can know
what I shall do or can do until the
courts of appeals hands down a final
decision as to whether or not an
election is to be held this fall."

Walker is anxious to reach home
in time for the city-wide Tammany
convention called for October 6 to
choose a candidate for the Novem-
ber 8 mayoralty election.

Goes By Train.
Although he had planned to charter
an automobile to drive as far as
Malaga, Walker decided at the last
minute to go to Madrid by train and
thence to Paris. Accompanied by his

Amount Of \$251,210 Turned
Over To Collectors By
County Treasurer

Considering the fact that many
people are out of work, county tax
collections during the present year
have been good. Tax duplicates
placed in the hands of County
Treasurer, William O. Pitts, called
for a total of \$962,000 county and
poor taxes, of which \$710,790 was
collected by the county treasurer,
leaving a balance of \$251,210 to be
placed in the hands of the collectors.

In the city the amount of county
and poor tax placed in the hands
of Delinquent Tax Collector, Edward
Umbreit, was about \$142,063. Delin-
quent taxes in various amounts
have been placed in the hands of
the various borough and township
constables. The total of this amount
would be represented by the differ-
ence between the \$251,210 total de-
linquent, and the \$142,063 placed
in the hands of the city collector,
or \$109,147.

The amounts placed in the hands
of the various collectors does not
vary greatly from former years,
which under present conditions is
regarded as a very good showing.

Ask Removal Of Constable

First Ward Electors Ask
Court To Remove Con-
stable Ellison

HEARING IS SET
FOR OCTOBER 17

Albert Shoaf presented a petition
to Lawrence county court this morn-
ing in which he asked for removal
of Constable James Ellison of the
first ward. The petition bore the
names of 47 electors.

It sets forth that Ellison was elected
constable of the first ward in the
fall of 1931 and took office in Janu-
ary, 1932. It recites the fact that
Ellison with Morris H. Hecht, Pitts-
burgh, private detective, was con-
victed on charges of conspiracy and
extortion in connection with pro-
secutions under the fictitious names
act and that he is an unfit person
to be constable.

Judge James A. Chambers, to
whom the petition was presented, is-
sued a rule on Ellison to show cause
why the prayer of the petitioners
should not be granted. The rule is
returnable on October 17.

Ellison and Hecht, who were con-
victed at the September term of
court, were not sentenced, as they
have applied for a new trial on the
grounds that the verdict was against
the weight of the evidence.

Car Loadings Highest In Year

(International News Service)
WASHINGTON, Oct. 1.—Load-
ings of revenue freight for the week
ended on September 24 totaled
595,746 cars, the highest for any one
week so far this year, the American
Railway Association announced to-
day.

The total for the week of Septem-
ber 24 was an increase of 8,444 cars
above the preceding week.

(Special To The News)
BEVERLY HILLS, Cal., Oct.
1.—Coast papers are all excited
because "Japan has bought
more ammunition in the last
cotton" nitrates, and scrap
iron."

Why worry about a little thing
like that?

Not satisfied by making tur-
ties out of us in swimming,
they hired our best diver after
the Olympics, and in the next
games may beat us in that.

But here is one thing they
didn't reckon on. Our high
diving is inherited from our
politicians. Our public men do
nothing but high dive. They
climb up the ladder on prom-
ises, just before election, then
dive off after they are elected.

No sir! Japan, you got a lot
of diving to learn to catch us.

Former Local Man Is Killed

Don Hinkson Is Accidentally
Electrocuted At Home
In Louisville

LEFT NEW CASTLE
DURING SUMMER

Friends here were shocked Friday
evening to hear of the death by
electrocution of Don Hinkson, son
of Mr. and Mrs. Bert Hinkson, of
rear 211 Pearson street.

The word received stated that Mr.
Hinkson was taking a bath Friday
afternoon and took up an electric
vibrator to use on his head, when
either the dampness of his body or
a "short" in the vibrator caused his
electrocution, death resulting in-
stantly, about 3:15.

Mr. Hinkson and his wife, Mrs.
Edwina Anderson Hinkson, had
gone from New Castle this summer
to the home of her parents, Rev.
and Mrs. E. C. Anderson, Louisville,
Ky., where they have been since
that time. Rev. Anderson was for-
mer pastor of the Gospel Tabernacle
of the Pearson street Christian and
Missionary Alliance church.

Mr. Hinkson was about 33 years of
age and had been a resident of New
Castle most of his life.

He is survived by his parents, Mr.
and Mrs. Bert Hinkson, Pearson
street, his wife and a brother, Rich-
ard, of California.

There will be funeral services held
at Louisville, Ky., and the body will
be brought to New Castle, arriving
here Monday morning. He will be
taken to the home of his parents,
rear 211 Pearson street, and an-
nouncement will be made later of
the funeral arrangements here.

Young Lady Falls From Second Story

Upper Sash Of Window Comes
Loose Suddenly And Nellie
Green Is Thrown To
Ground

While washing windows on the
second floor of her home, 826 Oak
street, Friday, Miss Nellie Green,
daughter of Mr. and Mrs. John
Green, fell out the second story win-
dow.

Miss Green encountered a window
that was hard to open from the top
and put her weight on the window
to pull it down, when it let go sud-
denly and came down, causing her
to lose her balance and be catapulted
over the lower sash and out the
window. Her fall was broken by a
telephone wire which ran to the
house and she landed on her back
on the ground below. When she was
picked up she was taken to the New
Castle hospital, where X-ray pictures
were taken but no serious injuries
could be found, although Miss Green
is considerably bruised and shaken
up.

It is expected she will be able to
leave the hospital today or tomor-
row.

PARCEL RATES CHANGE.
A new parcel post rate schedule
was introduced at the post office

simultaneously all over the country.
Officials report the alterations as
very slight.

Hubby Is Barred From Football

MR. AND MRS. KEN MEENAN

When Coach Dick Hanley told Ken Meenan, Northwestern's star full-
back, that he couldn't play football this fall because he is now a married
man, Meenan called on his pretty wife to plead the case. The coach
weakened and called in Athletic Director Wilson for a consultation. They
finally decided that Meenan must get his football on the sidelines this
year.

Republicans To Open Campaign

General Edward Martin,
State Chairman Is
Guest Here To-
night

RECEPTION AT
THE CASTLETON

Lawrence county Republicans will
open the fall campaign here tonight
when General Edward Martin, state
chairman, and Supreme Court Jus-
tice William B. Linn will be guests
of honor at a county committee din-
ner to be held in The Castleton at
6:30 o'clock. Immediately following
the dinner a public reception will be
held in the lobby of the hotel to
which the general public is invited.

At noon today County Chairman
George T. Weingarner said that
175 reservations had been made from
a committee membership of 182.
This would seem to indicate almost
a 100 per cent attendance of com-
mittee members will be present, a
number of city and county officers,
candidates for state office and a
number of guests.

Few Speeches.
There will be few speeches at the
dinner tonight, General Martin will
make the chief address, and proba-
bly there will be several other short
addresses. The candidates will not
speak but will probably be presented
to the committee inasmuch as this
is the first formal meeting of the
committee since the primary.

The dinner will be held in the ball
room of The Castleton and in the
event of an overflow, which seems
probable, the dining room of the
hotel will be commandeered with
the guests all assembling in the ball-
room for the few speeches that will
be made.

It promises to be the biggest Re-
publican gathering in New Castle in
man, years and gets the county
committee away to the start of the
campaign that will finish on No-
vember 8.

Director of city improvements, S.
W. Treser, stated today he had re-
ceived no information from the state
highway department as to the date
when the contract for East Wash-
ington street cartway widening
would be let. The unpaved portion
will be repaved with brick and the
curb will be replaced.

CHICAGO, Oct. 1.—Still reel-
ing a little under their burden of
sorrow, but not yet convinced
that all is indeed lost, more than
50,000 natives move in and take
possession of Wrigley Field this
afternoon for the third game of
the world series, this being a
town marked civic enthusiasms.

They put pride of town on a ped-
estal, they cheer loudly at the
slightest provocation. They even
paraded the Chicago Cubs some days
ago, but that was before the Na-
tional League entry had lost two
straight to the Yankees in New
York and, besides, it may be recalled
that the condemned man at Sing
Sing is always paraded just before
the end. I wouldn't wish to suggest
a connection between the respective
formalities, there and here, but the
coincidence is interesting.

It is essentially so because the

These are mornings brisk and
chilly, with an air that's just like
wine, when a fellow's glad he's liv-
ing, keeps him feeling pepped and
fine. When the sun is just arising
from the shelter of the hills, air is
like some rare old tonic, makes you
forget all your ills. There's a hint
of autumn's frosting, there's a trace
of nippy air, that puts color in your
sneezes, and makes hay stalks of
your hair. It's the time for zip
and pepper as you sprightly bend
your way, in these mornings brisk
and chilly, weather's sixty six to-
day.

Two Americans Are Found Dead In Paris Room

Believe Two Life-Long Friends,
Both Writers, Died In
Suicide Pact

(International News Service)
PARIS, Oct. 1.—Believed victims
of a suicide pact, two American
writers—lifelong friends—were found
dead in an artist's studio today.
The victims were George Denevers,
who was born in Chicago on Sep-
tember 20, 1889, and John Matthews,
whose home address was not known
to police.

The bodies were found with their
wrists slashed, apparently with raz-
ors. Police believed the men had
been dead for at least ten days.

Detectives investigating the dou-
ble tragedy inclined to the theory
that dire poverty was responsible.

Some Thousands Recalled To Jobs

Work Is Provided For 6000 After Months Of Idleness

RAILROADS ARE BECOMING ACTIVE

(International News Service) Several bright spots appeared in western Pennsylvania's industrial picture today as jobs were provided for almost 6,000 unemployed after months of idleness. At midnight tonight the Standard Tin Plate company at Canonsburg resumes operations, giving employment to 1,825 men. Simultaneously, its subsidiary, the Continental Can company, will resume operations and recall 210 employees.

Over 1,200 men and girls will be re-employed on a three to four days a week basis when the National works of the American Sheet & Tin Plate company at Monessen re-opens Monday. Other departments of the mill, scheduled to resume operations in about ten days, will provide employment to 1,000 more employees.

The Union Railroad company has recalled 150 men to work, effective October 10, at its car repair shop at Monongahela Junction, near Duquesne. The shops will operate on a two-day-a-week basis.

The Lockhart Iron & Steel company in the Chartiers Valley reopened four mills and recalled several hundred men, including 400 laborers, back to work.

The Pittsburgh & Lake Erie railroad has recalled 400 employees to its locomotive and car shops to recondition engines and freight cars. Four hundred men, recalled to work several days ago, have been assured several months' employment in the freight repair shops.

ROOT AND PIPGRAS SLATED TO PITCH IN THIRD BATTLE

(Continued From Page One)

Cubs, having lost two out of a possible two on the eastern front, must now win four out of an improbable five to emerge triumphant, as they say down at the hitting post. Not an impossible proceeding but one fraught, as we say down at the servants' entrance, with acute improbabilities.

Cubs Will Fight. However, as we say down at the lively stable, the change of venue to the kindlier, more sympathetic atmosphere of the home town may inspire the Cubs no end. A prophet may be without honor in his own town but the ball player doesn't live who fails to react more favorably to the combined plaudits over the combined bird-call of the Bronx.

The Cubs, in fact, came home to a warming welcome yesterday, 5,000 people crowding the station to shout encouragement, even if inaudible, and to shake hands, even if only their own. If this didn't hearten the Cubs, they ought to get a meed of comfort from the fact that they have a pretty impressive pitcher coming up this afternoon in Charley Root. They might even be consoled by the prospect of a warm, clear day and, in consequence, the return of the "white shirt menace" which rises up in the centerfield bleachers on warm, clear days, giving left hand hitters the alternative of hitting the ball or a shirt front. They often come closer to the shirt front.

Root and Pipgras. Root, a side-arm right hander, doesn't figure to be without a certain craft and guile under those circumstances, but neither does George Pipgras, another right hander who will be the Yankee pitcher today, according to a message Joe McCarthy confided to friends on his arrival here. Mr. McCarthy was shown to the city limits here two years ago and told never to darken its doors again. However, he has gone right ahead darkening doors, here and there, and is now coming back to darken Wrigley Field for the first time, where he still has more friends than the cigarette girl in a night club.

Anyhow, he said that Pipgras would pitch today and Johnny Allen tomorrow, Johnnie being the young man who was well known to Mr. and Mrs. Allen at this time last year and is now well known to all. In any case, Root gets a break over either Yankee pitcher, the difference being that they will pitch to only one left hand hitter, Grimm; whereas, it may be that Root can work his will on such as Combs, Sewell, Ruth, Gehrig and Dickey. That, anyhow, is the local illusion. The substance may reveal that Root had nothing but a petition and the Yankees everything but a brick.

That's the way it has been so far and there is not a great deal in the evidence to indicate that any abrupt change is about to take place.

That's the way it has been so far and there is not a great deal in the evidence to indicate that any abrupt change is about to take place.

Honoring American Colleagues

Visiting the United States to lecture on the feminist movement in India, Mrs. Mayadevi Gangulee, Hindu women's leader, is shown as she placed a wreath before the monument to the American suffrage pioneers in the Capitol at Washington. At left is Ruth Taunton, secretary of the National Women's Party. Mrs. Gangulee was recently received by President Hoover.

Aiken School Pupils Display Garden Products

The children of the Aiken school were most industrious in their gardens, both flower and vegetable, this summer, if anything can be judged by the splendid display of products the children had on display, when the annual flower show was held.

There were some unusual exhibits in the display, one of the outstanding being a cotton plant, which was raised here in New Castle by Leila Burris, the bolts have formed but owing to the shortness of the hot season they did not mature into cotton, but it is unusual that a cotton plant flourishes at all this far north.

Another exhibit that attracted a lot of attention was a vase of huge show dahlias in high shades, which was from the garden of Juniata and Virginia Bartsch.

Among the many vegetable exhibits one outstanding one was the basket of midget vegetables displayed by Edith Shumway of 1-B and the potatoes, tomatoes, turnips, cucumbers and other vegetables in this were most minute, the largest cucumber being less than an inch in length and the other vegetables resembles small marbles of different colors.

The children had dressed up some of the vegetables to look like persons and one resembled Miss Muffet on her tuffet, made of tomatoes and leaves; others, with the addition of eyes or legs, greatly resembled animals. Then of course the regular vegetables showed the persistency of the youngsters in caring for their gardens, for some splendid exhibits were on display.

The tables on which the flowers were exhibited were beautiful and the arrangement did credit to the artistic ability of the children. There were winter bouquets also arranged along with some growing plants.

Program and Awards At 3 p. m. the visitors to the school were invited to the auditorium, where a program was presented by the pupils with a play, "Happiness For All" being given by the pupils of 4B and 2A; Marian Shaffer of 6A gave a reading "Wild Rose"; the 6A class sang "Who Knows" and a dance "The Waltz of Flowers" was colorfully presented by the girls of 1A and 6A; Betty Lathrop, Marian Shaffer, Clara Derr, Lois Musser and Margery Griffiths.

Flower arrangement: Oral composition: Jack Dunlap, John Knight, Elton Black, Oscar Dinsmore, Clair Cline, Lucella Johnson, Olga Schoc-

Interment will be made in the Slippery Rock cemetery at Slippery Rock.

Opinion Is Filed In Land Dispute

Bill In Equity Not Right Proceeding To Determine Land Ownership At Lake-wood

In an opinion handed down by Judge James A. Chambers at court this morning in the case of O. M. Bilger and O. R. King against Herminie Rung, the bill in equity is permitted, and the plaintiffs are required, within 60 days, to bring an action at law to establish title to lands in dispute raised by bill. If such action is taken within sixty days, the bill will be dismissed.

This case grew out of a dispute over land bordering on Lakewood lake in Hickory township. The plaintiffs claim that the dam has backed water up on their lands. The defendant denies this, claiming to own a strip of land between that of the plaintiffs and the lake.

As the suit revolves around the disputed lines, the court is of the opinion that a bill in equity was not the right procedure, and that it should have come under an action at law.

charge that he violated the federal lottery laws. The distinguished defendant will not be called until Tuesday or Wednesday of next week.

When the trial is resumed on Monday, Joseph Jenkins, former secretary of Davis, will be recalled as a witness by the defense. Through his testimony, the defense is attempting to show that Davis had no connection with the Moose "organization department" when the 1930 and 1931 charity balls, alleged lotteries, were held.

Jenkins has testified that he and Fred W. Jones, financial agent for Davis, through an oral agreement in August, 1930, at Sharon, Pa., purchased the contract for organizing the Moose from Davis for \$600,000.

Small Jobs Keep Employees Working

Portion Of Neshannock Creek Wall Will Be Replaced, Treser Says

S. W. Treser, director of city improvements today stated that J. K. McQuiddy and workmen of the mayor's committee on relief had started to take out a portion of the stone wall, south of the North street bridge which spans Neshannock creek. The wall bulged. It was the first portion of stone wall construction made. A section about 30 feet long will be replaced to enhance its appearance.

Treser also stated that employees who worked under the supervision of Carmi Glover had completed the stonewall at the northwest corner of the South Jefferson street bridge which spans the Neshannock creek. The wall was built for a distance of probably 18 feet and is 15 feet high. He pronounced it a very neat and substantial wall.

City employees today commenced cleaning out concrete gutters in Denver avenue, catchbasins having been installed at the corner of Denver avenue and Hamilton street yesterday. He said the gutters in Galbreath avenue also would be cleared and said another wall project may be started.

Should the owners of land along the Croton avenue hillside, above the P. R. R. crossing give the land to the city, a stone wall will be constructed. The hillside will be moved out to the curb line and a cable fence built. So far the city, it is said, has not been informed if the owners will deed the land to the city.

PATTON-TAFT MARRIAGE NEWS

Of interest to many here is the announcement of the marriage of Miss Ruth Genevieve Patton, daughter of Mr. and Mrs. Claude M. Patton, 305 North Jefferson street, to Robert C. Taft, son of Mr. and Mrs. P. B. Taft, who reside at 27 Rosevale Circle, Greenville, Pa.

The ceremony, an event of August 20, was performed in the study of the First Christian church at five o'clock in the afternoon with the Rev. Herman M. Patton of Ivoryton, Conn., brother of the bride, officiating with the ring service.

Mr. and Mrs. H. Berlin Smith of Ellwood City, close friends of the couple, were the only attendants.

Mr. and Mrs. Taft are both popular among the younger set here. The former is affiliated in the engineering department of the Bell Telephone Company, located in the Temple building, this city.

They are at home to friends at 813 Butler avenue.

CHILDREN TO SING TONIGHT AT TABERNACLE

Family Night To Be Observed

Sunday Program Offers Several Additional Mass Meetings

RECONSECRATION OCCURS FRIDAY

"Family night" will feature the service this evening in the tabernacle tent on South Mill street and the largest family in the audience will be presented with a Bible by Dr. Philpott.

The choir loft will be filled with children this evening and solos, duets, quartets and choruses will feature the half hour song service, which nightly precedes the sermon.

The platform of the tabernacle tent on South Mill street swarmed with kiddies Friday afternoon after school as several hundred youngsters of the city assembled to rehearse for a children's chorus, which will sing this evening at the service when family night will be observed. Dr. P. W. Philpott, the evangelistic speaker will have "Christ and the Family" as his sermon theme.

Friday evening the tabernacle tent was fairly well filled for the reconsecration service, which was held for the Christians who have previously given their life to Christ, but rededicated it at this time. Several hundred filed down the aisles and knelt about the front of the platform. Rev. D. L. Ferguson, pastor of Highland church offered the prayer.

Dr. Philpott's sermon on "Failure and Recovery" took up the life of Peter and said there were several contributing causes to Peter's downfall; those included his self confidence; his failure to pray as Christ commanded him and his getting into wrong company.

"There are some things a Christian cannot do and keep his influence," said Dr. Philpott and he continued to say that when the Lord turned and looked on Peter when he denied him, Peter's heart melted into the sorrow of repentance and he went out and wept, and so it is with the sinner, when he looks on the face of God his heart is melted into sorrow of repentance.

Sunday will be a day of special interest as there will be two mass meetings at 3 p. m., one for women, held in the auditorium of the First Methodist church, with Mrs. A. W. McKee as the speaker, and one for men and boys in the tabernacle tent, with Dr. Philpott as the speaker, he will have as his subject "Fooling with Fire".

REV. P. C. PEARSON RETURNS TO CITY

County Association Plans Activities

Lawrence County Sabbath School Association Sends Out Local Instructions

One of the recent activities of the Lawrence County Sabbath school Association is a letter sent out by the Temperance Superintendent, Miss Margaret Walker, to all the Sabbath school superintendents of Lawrence County urging that an effort be made to encourage as many members of the Adult Classes of the various Sabbath schools to register at the last registration day, October 8th, so as to be able to vote at the Fall election. A folder was also enclosed, "Fifty Ways for Temperance Observance in the Sunday School," to be handed to the Temperance Superintendent of every Sabbath school.

The plan of the County Association is to have every district superintendent plan at least one activity for the coming year. The parent training superintendent, Rev. W. F. Evers, has forwarded to all the preachers of Lawrence County, a "Religion in the Home" booklet put out by the State Association, giving constructive plans for the constructive development of the spiritual life of the home. Homer C. Drake, the Home Department Superintendent, has already forwarded Home Department booklets to be used by the various district Home Department Superintendents to stimulate more efficient Home Departments. He is also planning to have a county wide visitation day of those not able to attend Sunday school, sometime the coming year.

Good News Is Seen In Increase Of Car Loadings For Week

BETTERMENT IN STEEL ISSUES

(International News Service)

NEW YORK, Oct. 1.—Apathy ruled the speculative markets today. With many traders absent for the Jewish holiday, this combined with the week-end to make for extremely narrow fluctuations in quiet trading.

Cotton alone showed some activity, dropping \$1 a bale at the opening to cancel half of yesterday's closing run-up.

Wheat was dull and steady, as were most other commodities. Coffee had another sinking spell. Bonds were irregular.

The good news of the increase in car loadings to another new peak for the year was offset by the uncertainty over the fate of the Nickel Plate, where a default, and a possible receivership, loomed on the \$20,000,000 issue maturing today.

A slight rise in steel operations made for fractional betterment in U. S. Steel. The preferred rose as much as a point. Tobacco issues steadied after yesterday's decline. Utilities were neglected, as were the copper.

Pool issues like United Aircraft, Montgomery Ward and Case Threshing marked time with the others.

Ellwood Reserves Lose To Franklin

Sustained Drive In First Quarter Gives Visitors 6-0 Victory

ELLWOOD CITY, Oct. 1.—Coach Emmet Gillaspie's Ben Franklin warriors won a hardfought game from the Ellwood Reserves, 6-0, Friday afternoon at Lincoln field. A sustained drive of 70 yards immediately following the kick-off in the opening period proved to be the only score of the day. Nigro, Augustyn and Majochko did the ball-toting with the former getting the touchdown after rounding his own right end for 15 yards.

The remainder of the game was a nip-and-tuck affair with the pigskin exchanging hands often. Both teams got within scoring distance several times, but lacked the necessary punch to put it over. The visitors were unable to gain as often, once the locals got onto their style of play.

Coach Gillaspie presented a surprising team considering the fact that he had only Majochko from last year to form a team this season. His proteges gave the aspect of being a well drilled and scrappy eleven. Another good season is in prospect for Ben Franklin.

Nigro, Augustyn and Majochko were the main cogs in Ben Franklin's offensive. George, Jokinen, Russo and DeMortino performed well in the line. Persons and Loccasiano were Ellwood's best bets in the backfield and Zeigler, McNeil and Pishoneri in the line.

The line-up:
B. Franklin 6 Ellwood Res. 0
DeMortino L. E. Kraynak
Russo L. T. Young
George L. G. McNeil
Adamo C. Pishoneri
Jokinen R. G. Venezie
Doster R. E. Velice
Ducano R. E. Velice
Jones L. Wilson
Nigro L. H. Loccasiano
Augustyn R. H. Pavuk
Majochko F. Persons
Substitutions: Ben Franklin, Crisi for Russo and DeCaprio for Augustyn. Ellwood, Hall for Kraynak, Shifery for Pishoneri, Carling for Wilson.

First downs: Ben Franklin 9, Ellwood 5. Missed try for point: Majochko.

Referee: Justine.
Umpire: Biordi.
Head linesman: MacMurdo.**HOSPITAL NOTES**

As You Like It Club Assembles

ELLWOOD CITY, Oct. 1.—With delightful hospitality Mrs. W. J. Weigle received the members of the As You Like It club at her home on Line avenue last night with 10 members and one special guest, Mrs. Roy Marion, present at the time.

Games and contests occupied the attention of those present for the evening at the conclusion of which Mrs. James Clark, Mrs. Robert Goss and Mrs. Archie Murphy received the prizes. A delicious luncheon was served by the hostess at a later hour with the assistance of Mrs. Goss and Mrs. Murphy.

Mrs. Ralph Moore will entertain the club in two weeks at her home on First avenue. A tureen dinner will be served.

O. S. G. Reading Circle Meets

ELLWOOD CITY, Oct. 1.—Members of the O. S. G. Reading Circle assembled at the home of Mrs. Anna Wilson on Franklin avenue Friday afternoon for their regular meeting with eight present at the time.

Mrs. J. E. VanGorder presided in the absence of the president, Mrs. Pickel. Some miscellaneous reading was done after which an interesting discussion on Edgar Guest occurred. The circle after this decided to meet again the latter part of the month at a place to be determined later.

BIRTHDAY ANNIVERSARY
ELLWOOD CITY, Oct. 1.—In honor of the birthday anniversary of Mrs. Roe Mallory, Mr. and Mrs. George Mallory entertained a group of friends at their home in North Sewickley township recently. Special selections were rendered by William Taylor, Frank McBride, George Patterson, and George McBride.

At a seasonable hour a most delicious luncheon was served by Mrs. Mallory after which the guests departed for home again tendering their best wishes to the honor guest. Guests attending were Mr. and Mrs. William Leslie, Mr. and Mrs. Fred Crawford and children, Don and Cornelia, Mr. and Mrs. George Patterson, and Mrs. George McBride, Mr. and Mrs. Harry Yonkers, Mr. and Mrs. Frank McBride and son Frank, Mr. Shannon and children Grace and Paul, Mrs. Leslie McBride and children Helen and Mont, Miss Lane, Mr. Yonkers, William Weaver, Mrs. Werner, Alvin Herberg, William Taylor, T. P. Crawford and the hosts.

Mrs. Harry Gould Hostess To Class

ELLWOOD CITY, Oct. 1.—The regular meeting of the Doremus class of the First Baptist church was held last night at the home of Mrs. Harry Gould on Wayne avenue with 22 present at the time.

After a short devotional period an interesting business meeting was held at which it was decided to take up some study for the winter months. Refreshments were served later by the hostess, assisted by her daughter and Mrs. Chester Rodgers. The next meeting of the class will be held in two weeks at the home of Mrs. DeWitt Sarver in the fourth ward. They will mend and make clothes for the needy at this meeting.

Organizations To Continue Sewing

Much Work For Needy People Has Been Done By Women Clubs Here

ELLWOOD CITY, Oct. 1.—The Women's Club who, with four other local organizations, did much work to aid the needy people of Ellwood City last week, plans to meet again with the same bodies all of next week for the same purpose.

Last week they mended 14 boys' shirts, 22 gowns, four slips and two girls' dresses. A schedule has been arranged in which the various women's organizations will meet daily under the direction of some capable person.

The schedule is announced as follows:
On Monday the Women's Club will sew under the direction of Mrs. Erie Yahn.

Tuesday the Professional and Business Women's Club will sew under the direction of Mrs. Robert Barlow.

Wednesday the Catholic Women will sew under the direction of Mrs. Thomas Haines.

Thursday the Council of Jewish Women will sew under the direction of Mrs. John Pearson.

Friday the Legion Auxiliary will sew under the direction of Mrs. Lewis Nickum.

Two committees will arrange for the materials. The Tuesday committee is composed of Mrs. Pearson, Mrs. Nicku, Mrs. Barlow and Mrs. Barnhart. The Saturday committee, Mrs. Lee Kimes, Mrs. W. W. Seidel, Mrs. George Burroughs and Mrs. Rae Chambers.

These meetings will be held in the Evans building on the corner of Fifth street and Spring avenue, which has been donated for the cause by D. A. Evans. Any donations of thread, buttons, pins, needles, elastic and bias tape will be appreciated by the ladies.

CHURCH SERVICES
ELLWOOD CITY, Oct. 1.—Sunday school will be held at the Hickory Knell Church of God tomorrow morning at 10 o'clock followed by song and praise service at 11 o'clock in charge of the superintendent, Frank Dunbar. Services will be held in the evening at 8 o'clock with Rev. Vernon Vandarsall of New Britain as the speaker.

Sunday afternoon at 2:00 Sunday school will be held at the St. Mark's Lutheran church at Lilyville. At 3 o'clock Rev. Wilbert T. Wilson of Middle Lancaster will deliver the sermon.

JOINT CLASS MEETINGS
ELLWOOD CITY, Oct. 1.—Last evening at 8 o'clock the members of the Ever Ready class and the Men's Brotherhood class of the North Sewickley Presbyterian church held a combined meeting in the church rooms with 21 members participating.

A social time was brought to a close by the serving of delicious refreshments by Mrs. Clem Hays, Mrs. Sam Hart, Mrs. Harry Hall and Mrs. Charles Bowers after which adjournment was taken to meet again the last Friday night of October.

FINE SERVICES
ELLWOOD CITY, Oct. 1.—Fine preparatory services were conducted in three local churches last evening. There were special speakers at the United Presbyterian and First Presbyterian. The pastor, Rev. Thomas Berger preached the sermon at the Slippery Rock Presbyterian church.

Communion services will be held in each of these churches on Sunday morning and also one in the Emmanuel Reformed church.

Stamp Club To Be Organized In Tube City

Many People's Hobby To Be Made Of Some Educational Value

ELLWOOD CITY, Oct. 1.—News of no little interest to many people in the city and especially the younger set, was made this morning when an announcement was made that Ellwood City will have a stamp club which is to be organized Friday evening, Oct. 14. It is to be sponsored by W. J. Ramsey of Spring avenue.

Mr. Ramsey has been a collector of stamps for a good number of years and has a collection that people envy. His idea of organizing such a club was a result of several meetings with the younger set in the community, especially with the boy scouts and church organizations. The club is being formed primarily for boys between the ages of 8 and 18. Later on, no doubt, an adult branch of the club will be formed by those who will automatically be eliminated from membership due to the age limit.

In the local high school has been secured for the meetings, which will be held every three weeks. After the club is organized an exchange of stamps between members will take place. Prizes for the best collections will be awarded.

SPECIAL SERVICES

WHICH?

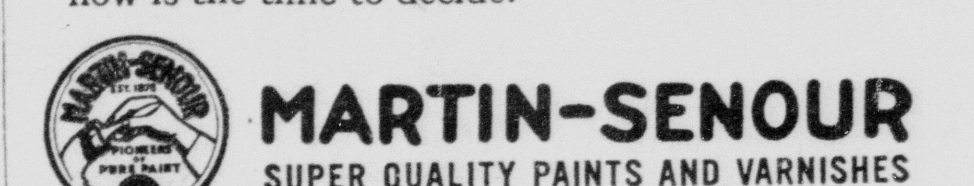

A FEW DOLLARS' WORTH OF GOOD PAINT NOW

or

HEAVY EXPENSE FOR REPAIRS LATER?

THE paint on your house is literally worn out today—been neglected too long. Heavy expense for repairs and replacement stares you in the face. A few dollars' worth of Martin-Senour's Monarch 100% Pure Paint will protect the badly weathered, bare spots through the winter. "Putting it off" may mean considerable expense for repairs next spring. Which will it be? Right now is the time to decide.

Newspapers Are Better Managed Than Government

Dean Ackerman, Of School Of Journalism Of Columbia, Praises American Press

HELPED PREVENT SOCIAL REVOLT

(International News Service) NEWCASTLE, Pa., Oct. 1.—American newspapers, patriotic and "better managed than our government and our banks," were credited today with having prevented "social revolution in the United States."

Dean Carl W. Ackerman, of the Pulitzer School of Journalism, Columbia university, told West Virginia publishers and editors that "newspaper readers should be thankful the press has been better managed than our government and our banks, for without these rare engines for communicative knowledge of truth, we might have imitated Russia and indefinitely postponed restoration of profit in business, and comfort and happiness in our homes."

Ackerman urged the publishers to set an example in courage and confidence in the nation's future since the press would be among the institutions first benefitted by a switch from loss to profit.

Negro Believed To Have Stolen Roll Of Cloth

Local Tailor Is Robbed By Man, Who Asked Him For Some Old Pants

Frank Gillett, 124 East North street, who conducts a tailor shop at that address, reported to the police Friday that a negro came into his place of business and asked for an old pair of pants.

Mr. Gillett informed him that he did not have any old pants. He then went to the rear of his shop on some business and when he returned, the negro had disappeared.

Mr. Gillett also noticed that a cloth for making suits was also gone. The roll contained four and one-half yards. He is of the opinion that the negro took the cloth.

The negro is described as being a young fellow, medium build, chocolate color, about five feet nine inches in height, about 150 pounds in weight and wearing dark clothes, the pants of which were blue in color.

Negro Held On Charge That He Entered Home

Calvin Cox, negro, married and residing with his brother-in-law, Isador Jordan, 237 West Falls street, is being held by the police, by order of Mayor Charles B. Mayne, pending an investigation of his alleged entry of the room of Geraldine Zingaro, 301 West Grant street. The woman was awakened to see a negro standing in her bedroom about 12:25 o'clock this morning. Cox was arrested at his own home shortly after the alleged entry into the Zingaro home occurred. He was in bed and claimed that he had been there a couple of hours. Miss Zingaro identified him as the man she saw in her bedroom, following his arrest, police report.

Cox on his appearance before the mayor this morning was questioned at some length by his honor, and denied all charges against him.

Sam Rupka Arrested On Wife's Complaint

Didn't Like Way Wife Stayed Away From Home And Caused Trouble

"Well, Sam," said his honor the mayor this morning, as Sam Rupka, arrested last night on complaint of his wife, stepped up for judgment before Mayor Charles B. Mayne, "what's all the trouble about?"

"It is just this way, mayor," replied the prisoner at the bar. "My wife she went out and stayed late and when she returned she told me it was none of my business."

"I got mad and said I would go out and stay long time. She said 'Is that so' and 'I'll show you' and she called the police and here I am."

According to the police records, Sam became so angry that he threatened Mrs. Rupka with bodily harm. She was to have appeared against him in police court this morning but failed to do so. The mayor ordered Sam held for a time until it was determined whether or not Mrs. Rupka was going to appear against him.

APPROVE PERMIT TO ABANDON RAILROAD

(International News Service) HARRISBURG, Oct. 1.—The public service commission today approved the application of the New York Central railroad to abandon passenger train service between Cherry Tree, Indiana county, and Clearfield, and also between Clearfield and Keating, Clinton county.

The total distance between the points is 102 miles and traverses a sparsely settled section. The loss from operation of the line is about \$24,000 a year, according to the commission.

RUTH ELDER IS SILENT ON DIVORCE RUMOR

Ruth Elder, transatlantic aviatrix, avidly watched every play of the world series in a box at Yankee stadium, New York, refusing to comment on reports that she would seek a Reno divorce from Walter Camp, Jr., her third husband, inset. However, Camp, son of the late football expert, admitted they had "agreed to disagree."

Sam Rupka Arrested On Wife's Complaint

Didn't Like Way Wife Stayed Away From Home And Caused Trouble

"Well, Sam," said his honor the mayor this morning, as Sam Rupka, arrested last night on complaint of his wife, stepped up for judgment before Mayor Charles B. Mayne, "what's all the trouble about?"

"It is just this way, mayor," replied the prisoner at the bar. "My wife she went out and stayed late and when she returned she told me it was none of my business."

"I got mad and said I would go out and stay long time. She said 'Is that so' and 'I'll show you' and she called the police and here I am."

According to the police records, Sam became so angry that he threatened Mrs. Rupka with bodily harm. She was to have appeared against him in police court this morning but failed to do so. The mayor ordered Sam held for a time until it was determined whether or not Mrs. Rupka was going to appear against him.

APPROVE PERMIT TO ABANDON RAILROAD

(International News Service) HARRISBURG, Oct. 1.—The public service commission today approved the application of the New York Central railroad to abandon passenger train service between Cherry Tree, Indiana county, and Clearfield, and also between Clearfield and Keating, Clinton county.

The total distance between the points is 102 miles and traverses a sparsely settled section. The loss from operation of the line is about \$24,000 a year, according to the commission.

CARS DAMAGED IN STREET ACCIDENT

Mrs. William Cosel of 120 Sheridan avenue, reported to the police Friday that she was going south on South Mercer street at Washington street, as a car bearing Pennsylvania license 92730 going south on South Mercer street, pulled out from the curb in front of her machine, which struck this machine. Both machines were damaged.

AWARD CONTRACT
(International News Service) HARRISBURG, Oct. 1.—The Union Paving company, Philadelphia, today was awarded the contract for the construction of 14.4 miles of oil-bound macadam on route 115 in Sullivan and Lycoming counties. The contract price is \$288,764, part of which will be financed by federal aid.

Citation Awarded On Commissioners During Year 1931

Boyd, McCullough And Elder Must Show Cause Why They Should Not Be Surcharged

In the matter of the appeal of taxpayers from the joint report of county auditors and county controller, a petition was filed by Jos. S. Rice and others at court this morning in which the court is asked to direct the form in which an issue shall be entered.

The appeal is based on the 1931 salary records in the county commissioners office. The commissioners were paid \$3000 each as salary for performing the duties of county commissioners, and a total of \$2,070 as poor directors. The contention of the taxpayers is that the commissioners were only entitled to a total of \$3000 each, and no additional pay for acting as poor directors.

The commissioners during 1931, covered by the audit, were Calvin C. Boyd of Pulaski, Thomas J. McCullough of Wampum and P. O. Elder, of this city. It is asked that they be surcharged with the amount paid to them as poor directors.

Judge R. L. Hildebrand made an order directing that a citation be directed to Boyd, McCullough and Elder to show cause why they should not be surcharged. The citation is made returnable on the first Monday of November.

Offer Prayer As Plant Resumes

Dunbar Residents Offer Gratification Prayers As Work Is Provided

(International News Service) CONNELLSVILLE, Pa., Oct. 1.—With a twelve-year-old boy on bended knees and hands clasped in supplication, residents here today joined in a prayer of thanks for work relief vouchsafed the stricken community of Dunbar, today.

Invoking divine guidance for continuance of employment, Lulu Mancini, 12, applied the tiny flame which lighted the big tank of the Dunbar plant of the Pennsylvania Wire Glass company, giving work to 150 men, effective October 15.

Over-joyed by the prospects of relief for the coming winter, residents knelt in prayer, offered "thanks to God for his goodness in presenting such means of relief," and invoked divine guidance to enable a long production period.

The plant had been idle for more than a year.

Opinions Rendered By Judge Chambers

Court Hands Down Decisions A. H. Shaffert And Wm. Schuette Cases

In an opinion handed down by Judge James A. Chambers at court this morning, a motion to strike off a statement of claim, is treated as a motion for more specific statement of claim, and the plaintiff is directed to file a more specific statement, in the case of A. H. Shaffert against Charles Eckblom.

The case is one growing out of an automobile accident on the New Castle-Youngstown road, in which the plaintiff is seeking to recover \$5000 damages for injuries alleged to have been sustained in the collision.

In the case of William Schuette Company against the First National Bank of Ellwood City, motion to strike off an amended statement of claim is granted, and the plaintiff is permitted to file a new statement within 15 days. This action is one to recover \$8500 placed with the defendant bank in escrow. It is claimed that at the time the defendant received the money there was no allegation in the statement that the bank received it in escrow.

Recruiter Hopes To Secure Candidates

Flour Committee To Meet Next Week

Will Re-Appportion Amounts To Different Communities At Meeting

Members of the Flour committee for the county, which has charge of the distribution of the flour being received through the Lawrence County Chapter, American Red Cross, will hold an important meeting Friday of next week.

The amount allotted to the Lawrence County district for the next quarter has been curtailed by 600 barrels, and it will be necessary to re-apportion the amounts allotted to the different communities.

GIRL SCOUTS

TROOPS HIKING

Two of the city Girl Scout troops had hikes scheduled for today: Troop 1, of which Elizabeth Vance, Regina Popp and Jean Hicks are leaders, and troop 14, of which Elizabeth McDewitt and Martha Clark are leaders. Troop 14 left for its jaunt at 8 o'clock this morning and had breakfast out in the open.

TRAINING CLASS

The fourth of a series of training classes for new troop leaders will take place Wednesday evening in the Green room of the Y. W. C. A. with the scout director in charge.

PREPARE FOR HOOVER RECEPTION IN IOWA

Guard Of Honor For Hoover At Des Moines, Ia.

Elaborate Preparations
Made For Reception Of
Herbert Hoover In
Mid-West

FIRST SPEECH OF HIS CAMPAIGN

Discount Rumor Of Impend-
ing Trouble From Farm
Strikers, Big Guard
Established

(International News Service)
WASHINGTON, Oct. 1.—
Elaborate preparations have
been made for the reception of
President Hoover in Des Moines
next Tuesday on the occasion
of his first out-of-town cam-
paign address.

A battalion of infantry and three
squadrons of cavalry will be on
hand at the station when the pre-
sidential train pulls into act as a
guard of honor over the route to
the governor's mansion, where Mr.
Hoover will rest and dine in ad-
vance of his speech. This imposing
military array will wait from the
time of his arrival there, shortly
after four o'clock in the afternoon,
until the president is due to speak
and then escort him to the Coli-
seum. The address is scheduled for
8:30 p. m. C. S. T. Finally, the hon-
or guard will convey him to his
train for the return journey to
Washington.

Advance rumors of a possible hos-
tile demonstration by Iowa farmers
participating in the "holiday" move-
ment were discounted by White
House authorities who have been
in touch with the situation.

Gov. Roosevelt On Way Home

Democratic Candidate In
Chicago For Address
Tonight

IN ATTENDANCE AT WORLD SERIES GAME

(International News Service)
CHICAGO, Oct. 1. — Governor
Franklin D. Roosevelt came back
today to the scene of his presidential
nomination and received an ovation
which exceeded that which he was
accorded here two months ago.
Nearly half a million people jam-
med the streets here last night and
gave the Democratic nominee a
noisy and colorful reception when
he reached here on the last lap of
his 9000-mile swing about the coun-
try.

Governor Roosevelt tonight will
address the Illinois democracy at a
banquet. This will follow his ap-
pearance at the third game of the
world's series this afternoon. Later
he will leave Chicago for Detroit
and the East.

He came into Chicago well sat-
isfied with the results of his three
weeks' campaigning through the
West.

He and his advisers believe that
he has captured the support of the
agrarian states where economic dis-
content and political discontent is
most acute.

Blue Triangle Club Is Given Review Of Book

Guest Speaker At Y. W. C. A.
Last Night Tells Of Pearl
Buck's Book

Miss Margaret Brenner, librarian
of Mahoning school, was a guest
speaker at a meeting of the Blue
Triangle club, an organization of
young business and professional wo-
men of the Y. W. C. A., Friday eve-
ning, in the Green room.

"The Good Earth," the book by
Mrs. Pearl Buck which has gained
such great recognition this year in
Literary circles, was reviewed by
Miss Brenner. The speaker told
something of Mrs. Buck's life in
China and of her practical way of
gaining an intimate insight into the
life of the Chinese toilers.

Blue Triangle club members and
their guests, numbering 30 or more
in all, were present and enjoyed
Miss Brenner's address. Dinner had
been served earlier in the evening,
followed by a business meeting con-
ducted by the president, Miss Jessie
Jenkins. Reports were given by the
secretary and treasurer, Miss Eliza-
beth Emery and Mrs. Adelaide May-
bray Reed. Miss Ruth Jamison,
chairman of the house committee,
gave a report of her work.

Pep songs, dancing and bridge
were diversions of the later hours.

New Castle High Defeats Charleroi 25-0

Red Hurricane Is Winner Over Strong Invaders

New Castle High Team Impressive In Fine Class AA Engagement

Nickum, Tomalello, Kominic And Kolodjeski Score, Kolodjeski Hurt

Smart football, plus good fast playing and dogged determination, gave New Castle High football machine a leg on the Class A title at Taggart Field last night before a crowd of 7,500 fans when they toppled the highly touted Charleroi High football squad 25 to 0. It was a startling upset in the doze, and leaves the Red Hurricane a dangerous threat.

It was a football game all the way. The score is no indication of how the game really was played. This Charleroi team looked good in defeat, they just "shot" everything they had in the first few minutes of play and when the big Red New Castle Hurricane failed to take fright, the game was practically over as far as the invaders from the "Magic City" were concerned. It was New Castle's third straight victory.

Charleroi Outsmarted.

New Castle outsmarted the Stephanian coached combination all the way, and is another feather for the old master Phil Bridenbaugh. When Charleroi thought New Castle was going to buck the line, they tossed forwards not little fluky passes, but forwards that meant something and one of them from Nickum to Tomalello was good for a touchdown. Several other times New Castle passed and advanced dangerously deep into Charleroi territory, one of them especially from Nickum to Rambo gave New Castle the ball in scoring position and was one of the bright spots of the game.

The game was not without its sad feature when New Castle high lost one of the best football players on the squad, a varsity regular, a good ball carrier and a fine fellow, as Joe Kolodjeski was carried off the field and after a hasty examination was removed to the New Castle hospital with a fractured right leg. The injury was just below the knee. Kominic replaced Kolodjeski and filled the bill right well, making one of the touchdowns. Kolodjeski is going to be missed in the remaining games.

Nickum Get Good Passer

Now to get back to the game. "Whitney" Nickum, the big blond thunderbolt crossed up the Charleroi team completely and instead of living up to his reputation as a speed merchant in carrying the ball, elected to take to the air and what this Nickum doesn't know about tossing pigskin. Boy, did he throw them straight and true into the arms of Tomalello and Rambo. He did one for a touchdown, which sailed about 35 yards.

It was anything but encouraging for New Castle as the first period got under way, Charleroi received the ball, and went to work with a vengeance, but it was destined to be short-lived, but while it lasted Veres, Mahovich and Zalom certainly did their best to keep New Castle team, for one first down after another. Then something happened, they stopped. New Castle got their bearings and started down the field, with Johnny Uram ripping off a 33 yard tear around left end that put a different complexion on the game, and really started New Castle going places. It wasn't long until that first touchdown was looming just ahead. With Uram, Kolodjeski and Nickum tearing off short gains the New Castle team worked the ball to the 24-yard line. Uram went thru tackle for 10 yards and a first down on the 14-yard line. Charleroi took time out to try and figure out this New Castle attack. Script was taken out and Spence sent in at end for the visitors.

Nickum Scores

Nickum raced the ball to the 7-yard line. New Castle drew a 5-yard penalty just when it looked like a touchdown. Kolodjeski broke through center and went to the 5-yard line. Kolodjeski on two more plays gained about a yard. Charleroi's line was playing a strong game.

New Castle drew a 5-yard penalty for being offside. This looked bad. Uram went around end for 2 yards. Nickum on the next play with goal to make sped around the right end of the line and went over the goal line about 3 feet from the out-of-bounds zone for the first touchdown. He had fine interference from Rambo, Tomalello, and Uram.

Spring New Play

Nickum missed the extra-point via placement. New Castle 6—Charleroi 0. An exchange of punts took place in the remainder of the per-

iod, with the first quarter ending in a funny play that had the fans guessing. DeCarbo just before the whistle blew punted to Charleroi. Mahovich signalled for a fair catch. The Charleroi team had their choice of either punting back, place kicking, scrambling or kicking off, and they elected to punt. Reeves booted a kick of 45 yards to Uram, who made a five-yard return of the ball, and the period ended.

New Castle worked the ball well into Charleroi territory after the second quarter began and then heaved a 30-yard pass to Rocco Tomalello and the ball rested on the 15-yard line. Tomalello almost got away from Mahovich. It was a pretty play. New Castle was penalized five yards for offside. Nickum and Uram picked up a few yards and then Nickum got the Charleroi team sleeping and slipped a pretty pass into the arms of Rambo and it was first down for New Castle on the 4-yard line. Kolodjeski took the ball over on the next play by crashing his way through center. Nickum failed to kick the extra-point via placement, the first attempt was good, but a New Castle kick was caught tripping and the kick was tried again, this time from further back and it was no good.

New Castle had the ball on the 35-yard line when the first half ended. Outstanding in the New Castle front wall was the playing of Bill Duff at center, and the Shellog brothers at the tackles, backed up by DeCarbo and Radkowski in fine shape. Charleroi did not play as well the second period as they did the first. New Castle made seven first downs the first half, compared to three for the visitors.

Pass For Touchdown

New Castle was content to play a defensive rather than offensive game for the second half. It was on the second play of the second half that Kolodjeski received his unfortunate injury. Kominic replaced him.

Mahovich, Veres and Zalom found the going tough for Charleroi and they punted. New Castle went to several plays and call on the old reliable toe of Mike DeCarbo to kick them out of danger. Zalom clipped off a first down for the Stephanian team in the third period. New Castle tried a few passes and failed to make them good, with Nickum throwing and Tomalello and Rambo receiving. Charleroi after taking the ball on an exchange of punts began throwing forward passes, but they were not accurate. Charleroi had the ball on the 46-yard line when the third period ended. The Charleroi team was tired and New Castle looked fresh. New Castle received the ball on a punt mid-way of the fourth period and Nickum raced to the 30-yard line, a nice play at end. New Castle drew a 5-yard penalty. Nickum again crossed up the Charleroi team and threw a forward pass to Tomalello that was good for 35 yards and a touchdown, with the seventh ward boy racing over the goal line. Nickum failed to kick the extra point.

Subs Get Chance.

The subs began filtering in with Patsy James replacing Tomalello at end for New Castle and Reeves replacing Pysynski for Charleroi at center. Nickum kicked off to Gregory, who had replaced Hiller at quarter for Charleroi.

Mahovich passed to Gregory for a first down for the visitors. Brown replaced Mahovich for Charleroi and began throwing forward passes, but New Castle broke them up nice. Lane replaced Nickum for New Castle.

Kominic went through center for eight yards and it was a New Castle first down. Uram raced the ball to the 19 yard line on a nice double pass from Rambo and cut through tackle. Lane circled end and the ball was on the 7-yard line. Charleroi drew a 5-yard penalty for offside.

Kominic Tallies.

Kominic again broke through center and went five yards to the 2-yard mark. New Castle was penalized five yards. Uram went back to the 4-yard line and was hurt. He stayed in the game. Humphrey, Palkovitch and Pascarella went into the game for New Castle. Kominic went thru center to the 1-yard line and then plunged it over for the fourth and final touchdown just a bare four minutes before the game ended. New Castle 25, Charleroi 0.

Howley, Gianni and Ridley entered the game for New Castle. Charleroi received the kickoff and Charleroi began a series of forward passes but could not make any of them good. New Castle also tried a few passes but failed to complete any of them. New Castle had the ball on the southern end of the field when the game ended.

Penalties Are Heavy.

A summary of the game shows that New Castle tried seven forward passes and made good three of them, while Charleroi threw 15 passes and made good three of them. In penalties New Castle drew the big total of 105 yards and Charleroi drew 45 yards. In first downs New Castle had 13 and Charleroi six.

One of the outstanding linemen in the game was young Bon Thom-

as, who holds down left-end wearing jersey number 9. This young man was all over the field. There were very few plays that didn't include him. Defensively Thomas is one of the best ends New Castle has had for quite some time.

It was a well played game and gives New Castle the top post in the class AA league. Charleroi had a big team, but New Castle was just too smart for them.

The Summary:

Plenty Of Band Music At Game

New Castle And Charleroi Bands Both Play At Contest

There was plenty of band music Friday night at the New Castle-Charleroi football game at Taggart stadium. Good band music, for the New Castle and Charleroi high school bands played with the best in the western end of the state.

Charleroi had about 65 pieces, dressed in snappy blue and white uniforms with the drum major dressed like a Grenadier Guard on dress parade, high white shako, snappy blue coat and white trousers. The Charleroi musicians had little to get enthusiastic about, but to the halves paraded the field, forming in the shape of "N C H". They got a big hand for their stunt.

New Castle's band gets better every game. With nearly 80 pieces in this year and every looking playing like a veteran the outfit is winning a lot of credit every time it appears.

Handball Looms As Popular 'Y' Sport; Basketball Gaining

Handball, a popular Y. M. C. A. sport all winter long, will likely win new recruits when the local association's fall-winter classes open here on Monday, October 10. Provision has been made in the new schedule for the periods in which handball matches can be arranged.

All probability start on the evening of November 21, with a meeting of all managers scheduled for an earlier date.

A basketball clinic is carded before the floor season opens in order that players might be fully informed of the radical alterations in the offensive end of basketball.

Coraopolis High Next On Schedule

New Castle high football team having disposed of the well trained Charleroi team in rather easy fashion will face a good Coraopolis high team next Friday night at Taggart stadium. In a game with Avalon yesterday the Coraopolis team gained a 27 to 0 decision, indicating that they will give New Castle a tough engagement.

Coach Bridenbaugh will have to start Monday and drill a new full-back as Joe Kolodjeski, the full back, will be out for the rest of the year with a badly fractured right leg. It is likely that a new attack will be worked out, with Walter Kominic filling in for the injured Kolodjeski. The high team will resume practice Monday afternoon.

Washington Game Transferred Here

Washington high school football team will play New Castle high at Taggart field Friday night, Oct. 14, instead of a Saturday game at Washington, Pa., it was announced by Ralph H. Gardner, and the fans are already warming up to this splendid attraction for the home field.

The Washington high team is coached by William Cox, who took over the reins when Coach Hank Day went to W. & J. this year. Washington has won one game, defeating Monaca, and has tied two games.

Westminster Is Defeated 24 To 0

Titan Football Teams Runs Into Stiff Opposition In George Washington U.

TITAN OFFENSE FAILS TO CLICK

WASHINGTON, D. C., Oct. 1.—A doughty little band of Westminster Titans from New Wilmington, Pa., took a 24 to 0 defeat last night at the hands of a fast and rangy George Washington University eleven in a nocturnal game. A crowd of perhaps 6,000 saw the game.

The Washington team opened with a fast attack and scored two touchdowns in the first period of play. In the second quarter the invaders from Pennsylvania stiffened and held the Washington team to one touchdown.

The third period found the Westminster team with a better defense and the locals were held scoreless. In the final period the Washington team ran one touchdown over the final chalked surface.

Defensively the Washington team played great ball, holding Westminster to but three first downs and the Titan backfield looked good, but the big Washington linemen filtered through and stopped them.

Touchdowns were made by Penion, Kreimelmeier and Carter. Coach John D. Lawther had a hard fighting team of United Presbyterians, but had a difficult foe in George Washington's big team.

Duquesne Trims Grove City 26-0

Night Riders Of Duquesne Hand Four-Touchdown Defeat To Crimson Team

Duquesne University football team handed Grove City a 26 to 0 setback in a night game at Forbes Field, Pittsburgh, last evening. Coach Layden started his second team in Notre Dame fashion and the reserves came through in fine style taking the ball over four times. Marin scored once, McDonald twice and Seppi once.

The Grovers under Coach Bill Amos put up a fine battle, but the lack of reserve strength hurt the Crimson sweated boys. The Dukes tallied six points in the first period, were held scoreless in the second quarter and came back with 13 points in the third period and seven more the last period.

Art Alexander, Dick Thomas, Andy Beres and George Binder, former New Castle high stars, saw action for the Grove City team, and they played fine football. It was almost a New Castle battle when DeCarbo and Ciccone entered the game for the Dukes.

Coach Layden was saving his regulars for the Pitt game next week.

Local Wool Men Get High Price

Receive Several Cents More Than Average Pail All Wool Growers In State

According to statistics compiled by W. B. Connell, sheep and wool extension specialist of Penn State college, Lawrence county wool growers received the benefit of the best price secured by any of the associations which pooled and sold their wool during September.

Eleven pools, which totalled 300,000 pounds, were sold, and the average price received was 15 cents for medium wool and 17 cents for fine wool.

The Lawrence County Sheep & Wool Growers association received 18 and 19 1/2 cents per pound respectively for the two grades, several cents per pound above the average price.

Shenango High Again Winner

Runs Up 41-6 Score On Slippery Rock High On Friday Afternoon

EAST NEW CASTLE BOYS SHOW CLASS

"Raney's Ramblers" from Shenango township high school crashed through to another well earned victory Friday afternoon when they held a field day against Slippery Rock high school. The score, 41-6, is merely what was made when the regulars were in the game. Only the presence of a third string safety man letting a pass get over his head to a Slippery Rock player was responsible for the lone tally made by the Butler county lads.

Two of the first string Shenango men were not in the starting lineup, Rzenick the quarterback and Lochner a halfback. The quarter has a strained tendon but did get in a play to two, while Lochner has a ball and played the bench all afternoon. Their absence seemed to act as a spur to the reserves who took their places and from the starting whistle there was no doubt as to who would win.

Arnold and Seetch.

Arnold and Seetch were in fine fettle all afternoon, with McNahay, the quarterback, running the team like a general, and just to make it interesting, scored after a 65-yard run. A few minutes later Arnold came back with a 75-yard run for a touchdown. Seetch was used to batter through for needed gains for first downs and filled the pile driver role in a big way.

Another play that entirely upset the Slippery Rock team was a forward pass, Arnold to Polenick, from the 30-yard line. Polenick scored standing up. On the defensive Shenango's line held like a wall and Slippery Rock got three first downs.

Shenango takes to the road for its next three games, but the three they have played at home this season show the best team the school has had since it first took up football. If they can continue as they have, the game with Union high, the closing game of the year, should attract a crowd for both of these teams are playing football that would be creditable to a class A school.

Yockey's Run Saves Zelienople Eleven

Captures Punt In Last Quarter; Runs 95 Yards For Touchdown

BESSEMER HELD TO 12-12 DEADLOCK

(Special To The News)

ZELIENOPLE, Pa., Oct. 1.—Bessemer high school's football team had victory literally snatched from their grasp in the closing minutes of a hard fought and well played game with Zelienople high yesterday. The score was deadlocked 12 to 12.

After trailing 6 to 0 at the end of the first half, Bessemer came back in the third stanza and scored two markers in rapid succession, only to see the hope of victory go glimmering when, in the closing minutes of the fourth quarter, Yockey of Zelienople standing on his own five yard line took Plevnic's punt and dodging, twisting and squirming his way raced 95 yards for a touchdown.

The game got under way slowly with Sankey kicking off for Zelienople. The first quarter developed into a punting battle with neither team taking chances. Each eleven played cautiously and kicked on second and third downs.

Zelienople's first score came early in the second period after Yockey had run Plevnic's punt back to Bessemer's 25 yard line. Bicker made 10 yards on a delayed line buck and a series of short plunges placed the ball on Bessemer's six inch stripe. Janovich plunged over for a touchdown but the kick for extra point failed.

Sankey kicked off to Clarke of Bessemer and Bessemer's passing combination, Plevnic to Marshall, began to click but the whistle blew ending the second half before Bessemer's rally could result in a touchdown.

Savage Attack

Bessemer came back in the third period with a savage running and passing attack which brought them two touchdowns in rapid-fire order. Percie kicked off to Janovich on Zelienople's 35 yard line but they failed to gain in three attempts. Sankey's punt was bad and the ball rolled back to the Zelienople 15 yard line.

Bessemer was held for downs but on Zelienople's second down Bicker fumbled the ball and Sankevitch recovered it for Bessemer on Zelienople's two yard mark. Plevnic plunged through the line for a touchdown and Marshall kicked the extra point.

Bessemer's second touchdown of the period from two passes. Plevnic to Marshall. They totalled 40 yards and an end run by Marshall for 11 yards put the ball on Zelienople's 1 yard line. Plevnic again plunged over for a touchdown but the kick for point failed and the whistle brought the third period to an end.

With apparently a safe lead Bessemer resorted to punts in the last quarter. Plevnic's kicks kept Zelienople on the defensive until all but three minutes had been played until Yockey got the ball from a kick and raced 95 yards for Zelienople's second touchdown.

Governmental Costs Of City Less Last Year

New Castle Unlike Many
Cities Where Cost Of
Operating In-
creased

CENSUS BUREAU GIVES STATISTICS

By ARTHUR C. WIMER
Special Washington Correspondent,
New Castle News

WASHINGTON, D. C., Oct. 1.—Un-
like in most cities, the per capita
payments for operation and main-
tenance of the general government
departments of New Castle in 1931
declined below the previous year,
the Bureau of the Census reported
today.

Payments for operation and main-
tenance of the general departments
of New Castle in 1931 totaled \$1,454,
943 or \$29.63. This was \$2.65, or
more than eight percent, below the
1930 per capita outlay of \$31.28. In
1917 the per capita cost had been
\$11.11.

Include School Costs
In reviewing the financial trans-
actions of New Castle, including ex-
penditures, revenues and indebted-
ness, the Census Bureau included
the transactions of the Board of
Education for the fiscal year close-
ing July 6, 1931 in order to place
New Castle on a basis comparable
with those cities in which the
schools are a part of the city cor-
poration. The Bureau made public
the following complete report on
New Castle, covering 1931:

Expenditures
The payments for operation and
maintenance of the general depart-
ments of New Castle, Pa., amount-
ed to \$1,454,943 or \$29.63 per capita.
In 1930 the per capita for operation
and maintenance of general de-
partments was \$31.28 and for 1917,
\$11.11. The interest on debt in 1931
amounted to \$167,465 and outlays
for permanent improvements \$197,
303. The total payments, therefore,
for operation and maintenance of
general departments, interest, and

outlays, including schools were \$1-
819,711. The totals include all pay-
ments for the year, whether made
from current revenues or from the
proceeds of bond issues.

The total payments for the schools
amounted to \$1,042,831. Of this
amount \$926,969 represents pay-
ments for operation and main-
tenance; \$111,837 interest on debt
and \$4,025 outlays.

Revenues
The total revenue receipts, includ-
ing those for schools, were \$1,884,997,
or \$38.39 per capita. This was \$262,
589 more than the total payments of
the year exclusive of the payments
for permanent improvements and
\$65,286 more than the total pay-
ments including those for permanent
improvements. This excess of
revenue receipts is reflected in re-
duction of debt, and in purchase of
investments, not shown in this sum-
mary. The revenue receipts for the
school district amounted to \$1,119,
880.

Property taxes represented 74 per
cent of the total revenue for 1931.
71.8 per cent for 1930 and 75.2 per
cent for 1917. The increase in the
amount of property taxes collected
was 172.7 per cent from 1917 to 1931
but there was a decrease of 3.2 per
cent from 1930 to 1931. The per
capita of property taxes collected
was \$28.43 in 1931, \$29.54 in 1930 and
\$11.98 in 1917.

Indebtedness
The total funded or fixed debt out-
standing Jan. 4 was \$3,260,000.
The net indebtedness (funded or
fixed debt less sinking fund assets)
was \$3,136,333 or \$63.88 per capita.
Of the total net indebtedness \$859,-
842 was for the city corporation and
\$2,276,491 for the schools. In 1930
the per capita net debt was \$66.87
and in 1917, \$18.25.

Assessed Valuation and Tax Levies
The assessed valuation of property
in New Castle subject to ad val-
orem taxes for city corporation was
\$54,626,150. The levy for all pur-
poses was \$1,899,511, of which \$600,-
888 or 31.6 per cent was levied for
the city corporation; \$874,018 or 46
per cent for the schools; and \$424,-
605 or 22.4 per cent for the county.
The per capita tax levy for the city
school and county was \$38.69 in 1931
\$40.30 in 1930 and \$15.65 in 1917.
In Pennsylvania there is no levy
of the general property tax for state
purposes.

ROAD TO CONNECT COLEGE TOWN

GROVE CITY, Oct. 1.—Construc-
tion of the seven miles of highway
between here and Slippery Rock is
an assured fact it is learned today
from officials of the Chamber of
Commerce.

The type of road is all that re-
mains to be settled now it is learned.
The road construction will bring
within 15 minutes of each other two
school town rivals in sport for half
a century, but always doing a thriving
inter-borough business.

The road building is the most im-
portant item of construction in
many years says commerce officials.

JUDGES WILL CURB ACTION OF SQUIRES

YOUNGSTOWN, O., Oct. 1.—Mach-
oning county common pleas judges
are considering drafting an order
restricting the activities of justices
of the peace of rural districts.

Spokesmen for industrial concerns
complained to the county judges
that the justices were issuing at-
tachments upon the wages of men
who worked only one or two days in
a pay period. This action, the judges
believe is illegal. They also believe
that attachments upon city resi-
dents should come through the mu-
nicipal court.

ROAMING

With Richards

Some News, Some Views, But
Mostly Just Observations
Of Interesting Things
Around New
Castle.

There may be a game or two this
season that will be as good as that
one last night out on Taggart field,
but it's a wide guess that there will
be any better. It had everything
you could ask for in the way of
sports entertainment, save of course
that most unfortunate accident to
Kolodjeskie.

This is one win over Charleroi
that can't be alibied. You can alibi
a one-touchdown victory or you can
try to alibi even two, but when the
opposition scores four times and your
boys are never up where touchdowns
are started, there isn't much you
can say.

It was a fast game, a smart game
and a hard game, and boy howdy
the referee and umpire certainly had
their eyes on New Castle. Maybe
all those penalties were justified,
but on several penalties the officials
couldn't seem to make up their
minds.

Charleroi did have a nice band
with them. Nearly 70 pieces, snap-
pily dressed and well trained. The
New Castle band was in form also
and the musical side of the game
was a real treat.

Jimmy Jackamo tells one on these
new Depression Bouquets that might
even be true. Jimmy is rated as an
expert in these new fads, and up in
the third ward has been advising
folks for weeks on how to make
them.

One lad came in to get the up
and down how to do it and Jim-
my warned him to put the plant in
a dark place for several days. He
did, he put his hat over the plant,
and when he removed it the chrys-
talline growth had climbed up into
his hat, filled up the hat band and
covered the felt.

There's always a minor crash or
two to liven up the traffic jam
down town after the game. Had
one midway between East and Mill
last night that sounded as though
all the nuts and bolts of a car
were spread over the street.

Quite a number of fans at the
game last night were from Butler,
Ellwood City and the adjacent
towns. The Butler and Ellwood
roads were filled with cars after the
game, and did the boys get an eye-
full?

One of the new parsons in the
city, Rev. Galbraith of Epworth,
saw his first night game last night.
Up around Ridgway where he came
from, night sports are unknown,
and the doctor certainly picked a
good night to see his first.

WAS VERY RUDE WHEN COMPANY CAME

ERIE, Pa., Oct. 1.—The eccentric-
ities of her husband, Ernest W.
Storch, won a divorce for Dorothea
A. Storch today.

The wife told Judge William E.
Hirt that Ernest would strip to the
waist, lie down and go to sleep in
the same room in which she was en-
tertaining, and at one time dragged
her from bed and locked her out of
the house, forcing her to sleep in
a shed.

EAGLES COMING TO GREET CHIEFTAIN

City Aerie Invites Throng Of
Visitors For Testimonial
Monday

When New Castle plays host to
the grand chieftain of the Fraternal
Order of the Eagles, Grand Worthy
President James Berrodin, on Mon-
day, October 3, there will be Eagles
members present from cities and
towns scattered over the Central
Western Pennsylvania section to
greet him.

Berrodin, who will come here
from Akron, will be guest of honor
of the district aerie at a special
reception to be held in the local
aerie's South Jefferson street home.
The program will open at 8 o'clock.

President George Anthony, head-

Smith To Present Lehman's Name

Action Reflects No Change In
Sentiment For Gov.
Roosevelt However

(International News Service)
NEW YORK, Oct. 1.—"Al" Smith
will be the delegate who will place
the name of Lieut. Gov. Herbert H.
Lehman in nomination for governor
at the Democratic state convention
at Albany next week, politicians in
close touch with Smith said today.

Lehman is Governor Franklin D.
Roosevelt's choice for the govern-
ment nomination, and has been for
months.

Smith's intention to nominate
Lehman is not based, however, on
any sudden decision to warm up to
Governor Roosevelt. In fact, it was
stated by intimate friends of Smith,
his attitude toward Roosevelt has
undergone no change from what it
was immediately after the Chicago
convention.

It is his friendship for Lehman
that is prompting Smith to support
the lieutenant governor. Colonel
Lehman was brought into the politi-
cal picture by Smith years ago.
They have long been close personal
friends, and Lehman has been a
heavy contributor to Smith's cam-
paign, some estimates being that he
put up well in excess of \$500,000.

Dear Brother Lion:

Our program Tuesday will be of
a somewhat different nature than
we have commonly. The Penn
Power Company is sending us a trio
of men who are carefully trained in
first aid work. Mr. Bernard Hook
is in charge of the team which will
show us the skill which is used in
giving immediate attention to the
injured.

We are glad to welcome two new
members from the Penn Power
Company, Mr. M. B. Shull and Mr.
A. B. Miller.

Very truly yours,
THOMAS I. ELLIOTT.

Council May Act On Abatement Of Penalties On Tax

During a conference held Friday
in City Hall council indicated they
will give consideration when coun-
cil convenes next week to a recent
act of the legislature concerning
abatement of penalties on delin-
quent city taxes.

Council indicated such consid-
eration would be given after Mayor
Mayne asked colleagues what ac-
tion they proposed taking relative
to the tax penalty abatement act
passed recently by the legislature.

It was pointed out to the mayor
that persons who already had paid
taxes and penalties could not re-
ceive a rebate of the penalty money.

After further remarks concern-
ing the act it was indicated the city
solicitor would prepare a resolution
to be presented to council shortly
which will make possible exemption
of penalties on unpaid city taxes
that are paid prior to December 1,
1932.

It is his friendship for Lehman
that is prompting Smith to support
the lieutenant governor. Colonel
Lehman was brought into the politi-
cal picture by Smith years ago.
They have long been close personal
friends, and Lehman has been a

paign, some estimates being that he
